

WE CAPTURE A MOMENT - A FEELING - TO COLOUR YOUR MEMORIES FOREVER.

...

Hey there—

We're so happy you have come across
our little team in your search for the
perfect photographer for your day.

Alpine Image Co. is a collaboration of photographers based in Wanaka, in the heart of the southern alps of New Zealand. For us, photography is so much more than a camera and lenses. It's the foundation of your memories and a way of reliving some of the most meaningful moments of your lives (including all the bits that might not go exactly to plan, because, life!). Your photos create feelings and lasting emotions – and we pour our hearts into making your whole experience unforgettable. We create depth and connection through imagery that reflects the best of you and your favourite people!

The people, the landscape, the unscripted moments, the belly laughs and the tears (ok, sometimes full blown sobs from the more emotional among us!); we use our artistic vision and creative styles to freeze them in time...and what an honour that is.

Every good photography friendship starts somewhere, so grab a cuppa and read on! Check out our packages and if you like what you see, we would be privileged to tell your story.

A wedding album is not only a beautiful way to display your wedding photos, it is a keepsake that only becomes more precious as the years pass.

We truly believe that in a digital age, the value of preserving your memories in print is more important than ever. Flicking through photos on a screen doesn't come close to the feeling of slowly turning the pages of a beautiful album and reliving your day from moment to moment. FAQs—

HOW MANY IMAGES WILL WE RECEIVE?

There's no set number, but you can expect around 80-100 for each hour that we are shooting.

WHEN WILL OUR PHOTOS BE READY?

You know what they say... good things take time! During peak months this can take 8-12 weeks. We spend a lot of time perfecting your gallery, and editing is a process that we don't rush.

DO YOU TRAVEL?

Sure do! There are so many special places to shoot in around NZ (and beyond!). Local travel fees are listed on the A la carte page. For anything further afield, just ask!

CAN WE PRINT OUR PHOTOS?

Of course. We LOVE seeing photos in print. You can print directly from your online gallery, or you can take your images to a (good!) lab and make prints yourselves. You have unlimited personal printing rights, so get those frames ready!

WHAT IF IT RAINS?

Firstly, don't trust the weather forecast until the day before the wedding (and even then it can change). Secondly, a wedding isn't about the weather... it's about you and your loved ones. Some of the best weddings we've ever shot have been in stormy weather.

Having a bit of a 'plan B' goes a long way and hiring some umbrellas can make you feel better in the lead up. Other than that, throwing caution to the wind and enjoying the day rain hail or shine is the best advice we can give! Side note here, our climate is pretty dry and there's a local saying 'rain before 7, gone by 11'.

DO YOU HELP WITH TIMEFRAMES?

Yes! Timeframes are a big part of the preparation process that we go through with you. Usually once you've got your timeframe down, the rest falls easily into place. It doesn't have to be set in stone, but it sure is a good starting point!

DO YOUR PRICES INCLUDE GST?

Yup! 15% GST is included on all our packages.

DO YOU FLY IN HELICOPTERS?

We certainly do, they are super fun! However, for safety reasons we have a company policy to not fly in Robinson R44 machines. For the comfort of our clients we tend to book Squirrel helicopters when making bookings on behalf of our couples.

DO I GET ONE OR TWO PHOTOGRAPHERS?

We shoot solo style the majority of our weddings, and we find that we can be much more subtle not having too many cameras floating around! Of course, if you would really like a second shooter then we can arrange for this, but in all honesty, we feel like you'd get more value putting that money towards a gorgeous album or prints.

WE FEEL AWKWARD IN FRONT OF THE CAMERA. WILL YOU TELL US WHAT TO DO?!

THIS! This is probably the question we are asked the most, and the only thing we'd like you to do is not worry about it. Our job is all about making you feel comfortable. Be yourself, enjoy the moments as they come, and we will offer as much or as little direction as is needed (everyone is different). Your wedding isn't about being a professional model – it's about you and the one you are marrying. Enjoy those moments, drink the champagne, and leave the rest to us.

CAN WE CHOOSE OUR PHOTOGRAPHER?

Everyone on the team is fab in their own unique way, but you sure can! If there is a particular photographer you have in mind, just let us know, otherwise we are super happy making the decision for you. If you have a preference, we do recommend letting us know early so that we can make sure that they are available.

THIS SOUNDS AWESOME! HOW DO WE BOOK?

Easy peasy. We just ask for you to complete an online booking form, and to pay a \$700 confirmation fee. We don't need to know the exact package you would like, but what is important is getting that date locked in. You'll feel fab when it's sorted!

Wonderful words—

"There are SO MANY beautiful photos here. It has brought back so many amazing memories of the day. We especially like how you've managed to capture all the people that were there, and their experience of the day. Stoked to see that it looks like everyone had a great time! You also made us feel so comfortable in front of the camera! Those couple shots are better than anything we could have imagined. We are once again so appreciative of all the work you put in - on the day and in processing all the photos. We feel very lucky to have had you looking after us!"

TESSA & CHANUKA

"I can't say thank you enough! You captured us, our family and the spirit of our day so perfectly and we are so grateful. The photos are so classically us, and we are so glad that the amount of laughter we had was captured so well. You made it so easy and made us and our parents) feel so comfortable immediately, for this we are so grateful. We will cherish these family photos forever. We have already and will continue to recommend you everywhere we go. Thank you again from the bottom of our hearts."

KATE & CAM

"We have just completed downloading every single photo because not a single one could be left behind. I can't put into words how magical these photos are. You somehow knew exactly where to be when and what specials moments needed to be captured with no direction from us. We sat down last night to watch the photos and it felt like watching the most magical story unfold. Too many happy tears. Thank you for from the bottom of our hearts for capturing our big day. You were the most calming, fun presence and we won't be able to recommend you enough."
